

TERMS OF SERVICE

Effective Date: July 9, 2017

The creators of DiagnosUs (referred to here as "DiagnosUs," "we," "us," or "our") are offering this application as a service that tests user medical knowledge, by allowing users to diagnose various medical conditions based on viewing medical images. The application is designed to quiz users on their medical knowledge, calibrate user contest scores, and aggregate/compare scores for user feedback in order to enhance user operability of the application.

These Terms of Use (the "Terms") govern your use of the DiagnosUs application and its related contents and services (collectively, the "Services"). Please read these Terms and our corresponding [Privacy Policy](#), which discusses how we collect, process, and disclose personal information through these Services.

PLEASE NOTE THAT THESE TERMS CONTAIN AN ARBITRATION CLAUSE, WHICH REQUIRES YOU TO ARBITRATE MOST DISPUTES BETWEEN DIAGNOSUS AND YOU. IF YOU DO NOT AGREE TO THIS CLAUSE, DO NOT USE THE SERVICES.

1. Acceptance of Terms

By using the Services, you agree to comply with and be legally bound by these Terms, whether or not you become a registered user of the Services. These Terms govern your access to and use of the Services and constitute a binding legal agreement between you and DiagnosUs. If there is a conflict between these Terms and any terms and conditions posted for any additional DiagnosUs services separate and apart from these Services, the latter terms and conditions will take precedence with respect to your use of those services.

2. Modification

DiagnosUs reserves the right, at its sole discretion, to modify these Terms at any time and without prior notice. If we modify these Terms, we will either post the modification or otherwise provide you with notice of the modification. The date of the last modification will also be posted at the beginning of these Terms. It is your responsibility to check from time to time for updates. By continuing to access or use the Services, you indicate that you agree to be bound by any modified Terms.

3. Eligibility

The Services are intended solely for persons who are at least 18 years old. By accessing or using the Services you represent and warrant that you are at least 18 old. If you are not 18 or older, you may not use the Services.

4. How Our Services Work

The Services are designed to help students, healthcare professionals, and others learn to diagnose various medical conditions by assessing anonymized medical images. Users are quizzed on their medical knowledge and ability to diagnose medical images, and their quiz scores may be reflected on their user profile as well as aggregated with other user scores to show aggregate quiz scores.

The Services may also contain a “leader board” that shows the top scores with the accompanying username from each contest. Leaders may receive incentives for making the board.

5. Account Registration

In order to access the Services, you must register for an account. You may register directly or may be allowed to register through a third-party social networking site (“SNS,” including, but not limited to, Facebook). To register manually, you must provide a username, your email address, your medical institution affiliation (if applicable), and other information specified in the registration form.

Please note that your relationship with the third-party SNS are governed solely by your agreement(s) with such SNS services, and those agreements will determine what information DiagnosUs will be able to access and uses through those services.

Your DiagnosUs Account will be created for your use of the Services based upon the information you provide to us or that we obtain via an SNS as described above. You represent and warrant:

- (i) the information you provide or connect to DiagnosUs is true, accurate, current, and complete;
- (ii) you are at least 18 years of age; and
- (iii) you will maintain and promptly update the information you provide to keep it at all times true, accurate, current, and complete.

You are solely responsible for maintaining the strict confidentiality of your account, and for any and all damages or losses that may be incurred or suffered as a result of any activities on your account. You agree not to allow another person to use your account to access the Services.

6. User Conduct

You understand and agree that you are solely responsible for compliance with any and all laws, rules, and regulations that may apply to your use of the Services. You further agree that you will not:

- (A) violate these Terms;
- (B) access or use our Services to use, expose, or allow to be used or exposed, any content that DiagnosUs does not make available through the Services, including any content licensed from a third party that is not already publicly displayed by DiagnosUs, that in any way is inconsistent with these Terms or our Privacy Policy, or that in any way that violates the privacy rights or any other rights of any users or third party;

11. Limitation of Liability

NEITHER DIAGNOSUS NOR ANY OTHER PARTY INVOLVED IN CREATING, PRODUCING, OR DELIVERING THE SERVICES WILL BE LIABLE FOR ANY INCIDENTAL, SPECIAL, EXEMPLARY OR CONSEQUENTIAL DAMAGES, INCLUDING LOSS OF DATA OR LOSS OF GOODWILL, SERVICE INTERRUPTION, SYSTEM FAILURE, OR FOR ANY DAMAGES FOR PERSONAL OR BODILY INJURY OR EMOTIONAL DISTRESS ARISING OUT OF OR IN CONNECTION WITH THESE TERMS, FROM THE USE OF OR INABILITY TO USE THE SERVICES AS A RESULT OF YOUR USE OF THE SERVICES, WHETHER BASED ON WARRANTY, CONTRACT, TORT, PRODUCT LIABILITY OR ANY OTHER LEGAL THEORY, AND WHETHER OR NOT DIAGNOSUS HAS BEEN INFORMED OF THE POSSIBILITY OF SUCH DAMAGE, EVEN IF A LIMITED REMEDY SET FORTH HEREIN IS FOUND TO HAVE FAILED ITS ESSENTIAL PURPOSE.

12. Indemnity

The waiver of any such right or provision will be effective only if in writing and signed by a duly authorized representative of DiagnosUs. If for any reason a court of competent jurisdiction finds any provision of these Terms invalid or unenforceable, that provision will be enforced to the maximum extent permissible and the other provisions of these Terms will remain in full force and effect.

15. Governing Law

These Terms (and any further rules, policies, or guidelines incorporated by reference) shall be governed and construed in accordance with the laws of the Commonwealth of Massachusetts, United States. Except where such claims are barred by the Binding Arbitration section below, any action based on, relating to, or alleging breach of these Terms must be brought in state or federal courts in Middlesex County, Massachusetts. You agree to submit to the personal jurisdiction the state and federal courts for Middlesex County, Massachusetts for any actions for which the parties retain the right to seek injunctive or other equitable relief in a court of competent jurisdiction to prevent the actual or threatened infringement, misappropriation, or violation of a party's copyrights, trademarks, trade secrets, or patents, as set forth in Section 16, below.

16. Dispute Resolution

Under these Terms, you agree that any dispute, claim, or controversy arising out of or relating to these Terms shall be determined by arbitration in accordance with the Judicial Arbitration and Mediation Services, Inc. For all purposes of these Terms, the parties consent to exclusive jurisdiction and venue in the state or federal courts listed in Section 15, above.
